

Business Card CDR Media 10-Pack
FREE! (with purchase) Label Applicator, Labels and Templates*
 (Part # 130103)

Alera Technologies Business Card CDR Media 10-Pack provides the tools required to produce professional looking business card CDs.

This is a great way to differentiate your business from the competition. The business card CD can replace expensive printed brochures and catalogs. You also have more flexibility to change and update presented materials. You are not tied to large economic order quantities as you are with printed materials. It is easy to record only the quantities you need and update anything you want for the next recording. You can also make unlimited custom tailored presentations to fit your audience.

Including a complete multimedia presentation on your business card is now as easy as 1-2-3:

1. Record on any standard CD-Recorder
2. Present your business on a compact business card size CD
3. Play back in any standard CD-ROM drive[†]

Generate real excitement with your clients and customers with photos, video, and audio to make your company or idea stand out from the crowd.

Each system contains:

- 10 Molded rectangular business card sized certified 1x-16x 25MB / 2.5 minute, Recordable CDs
- 10 vinyl business card CD sleeves
- 12 Rectangular business card CD printable labels
- Templates* for popular software applications including Adobe PhotoShop, CorelDraw, and Microsoft Word
- Label applicator tool for application of label to CD
